

The background of the entire page is a warm, dimly lit scene. In the foreground, two dark amber glass bottles, likely containing essential oils, are visible. The bottle on the left is taller and has a textured surface with condensation. The bottle on the right is shorter and wider. A single white orchid flower with a yellow center lies in front of the shorter bottle. In the background, several lit candles in glass holders create a soft, golden glow, and a white towel is draped over a surface. The overall atmosphere is relaxing and luxurious.
